Re: CG Docket - 02-278; DA 05-1346, Telephone Consumer Protection Act

I have elected to comment on Docket No. 02-278, a Petition for Declaratory Ruling asking the Commission to preempt certain sections of the Wisconsin Statutes and Wisconsin Administrative Code as it applied to interstate telephone calls.

I understand that I am making a public filing. Any information that I submit will be available to the general public.

My Comment to the FCC

Dear Sir or Madam,

Please do not allow any telemarketing to be practiced on anyone who does not wish to be bothered. Anyone who takes the trouble to make sure that they are signed onto the do-not-call list can be considered as seriously opposed to having their privacy intruded upon by telemarketers. Signing onto this list is considered to be a vote against telemarketing, and numerically speaking, telemarketers have lost the election unless the election itself has been purchased and is about to be negated. If this is the case then the FCC is no longer truly functioning in the public interest.
